Quick use guidance

- **Keep the canon (14 sections) stable.** Route new gems through **F-06 Addenda**.
- **Hash everything** (BLAKE3 or SHA-256) and note it on the form.
- **Never force disclosure.** F-02 & F-07 protect pacing: *If you cannot act → be seen → be heard → prayer/breath.*
- **Use MNA everywhere.** Each form asks what the **Minimum Necessary Action** is.
- **Receipts live here.** F-01 + F-04 give you the paper trail MoM dreams about.
